SUBMISSION DESCRIPTION:

Initial Exempt Submission

Your COMIRB Initial submission APP002-1 has been determined to be EXEMPT from IRB review. There is no requirement for continuing review and your study has not been given an expiration date.

For the duration of your protocol, any change to the Principal Investigator, or any changes that may affect the exemption determination must be submitted to COMIRB before implementation of the changes. Information on how to submit changes (amendments) and reports of unanticipated problems for your study to COMIRB can be found on the COMIRB website <http://www.ucdenver.edu/research/comirb/submissions/>.

When your research is complete, please notify COMIRB by e-mail at COMIRB@ucdenver.edu

REVIEW DETAILS:

Category 2

This protocol meets the criteria for exempt Category 2, as it involves the conduction of interviews/focus groups.

Category 4

This protocol meets the criteria for exempt Category 4, as it is using secondary data.

Please note: For Exempt research, COMIRB can only review and make a determination for the UCD-affiliated sites. All non-affiliated sites (Utah) must follow their own policies and procedures for review of such projects.
