\*This report is based on membership versus persons, thus the total commercial counts may include double counts of people with primary and secondary coverage.

\*\* Total Membership includes undefined payers, therefore some volume may be represented in total and not included in Fully insured or Self-insured summaries.

- (1) Left the Colorado Market in 2015 - No longer meets the statutory requirements to submit to the CO APCD
- (2) New submitter. Submitted all historical data that was available.
- (4) 2016 CMS Medicare Fee-for-service data not yet available.
- (5) Left the Colorado Market in 2016 - No longer meets the statutory requirements to submit to the CO APCD
- (6) Primarily a Medicaid submitter with intermittent Commercial submissions.
- (7) Addition of Self-Insured in 2015. Due to Supreme Court ruling, ERISA plans not required in 2016.
- (8) Issue with fix identified - implementation 11/18/2018

\*This report is based on membership versus persons, thus the total commercial counts may include double counts of people with primary and secondary coverage.

\*\* Medicare Pharmacy eligibility is available and in the data warehouse. Full representation of applicable beneficiaries available at a later date.

^ When less than 11, data suppressed

(1) Primarily a Medicaid submitter with intermittent Commercial submissions.

(2) Left the Colorado Market in 2015 - No longer meets the statutory requirements to submit to the CO APCD.

(3) Addition of Self-Insured in 2015. Due to Supreme Court ruling, ERISA plans not required in 2016.

## Dental Membership (covered lives) by Payer, Point in Time (PIT)

Effective 10/17/2018

Payers and Years highlighted in blue reflect data included in the Interactive Reports available at [www.civhc.org/get-data/interactive-data/statewide-metrics/](http://www.civhc.org/get-data/interactive-data/statewide-metrics/)

\*This report is based on membership versus persons, hence the total commercial counts have some double counting of persons for those that have primary and secondary coverage.

^ When less than 11, data suppressed

(1) Primarily a Medicaid submitter with intermittent Commercial submissions.

(2) Left the Colorado Market in 2015 - No longer meets the statutory requirements to submit to the CO APCD.

Note: Where dental costs are included in a medical claim, they would also be reflected in the overall cost of care public report totals.
